Thank you for choosing Kids Choice Pediatrics for your family's pediatric care. We strive to provide the best possible medical care for your children and adolescents. Below are our office policies for your review. Any additions or changes to these policies will be posted in our office and on our Facebook page (<https://www.facebook.com/KidsChoicePediatrics>).

PHYSICIANS: David Enrique Mendez, Medical Doctor and Jill McDowell Newsome, Medical Doctor

BUSINESS HOURS:

Monday through Friday from 8:00AM to 5:00PM
Saturday, Sunday and holidays - Closed
We are closed daily from Noon to 1:00 PM for lunch

APPOINTMENTS:

We are available by appointment only. It is our goal to see sick children on the day of your call. Please call us as early as possible to arrange the appointment.

We recommend routine well child check-ups at:

1, 2, 4, 6, and 9 months of age during the infant's first year of life, then
12, 15, and 18 months of age during the child's second year of life, then
2, 3, 4, and 5 years of age, then
Every 1-2 years for school-age children.

NO-SHOW POLICY: We understand that situations arise in which you must cancel your child's appointment. If you must cancel an appointment, a minimum of 24-hours notice is required. This will enable another patient in need of medical care to be scheduled in that timeslot. Patients who do not show up for their appointment without a call to cancel will be considered a NO-SHOW. Additionally, if you are more than 10 minutes late for a scheduled appointment, you will be asked to re-schedule and this will also be considered a NO-SHOW. Should you incur three (3) NO-SHOWS in a 12 month period, your family will be discharged from the practice.

AFTER-HOURS TRIAGE:

When our office is closed, we have after-hours triage available through East Tennessee Children's Hospital. You may access this service by calling our office number (865-577-6475) and a triage nurse will return your call.

FINANCIAL POLICY:

All co-pays, co-insurance and deductibles are due at the time of service, regardless of who brings the child in for the visit. *****The parent/guardian seeking medical treatment for the child is responsible for any bill incurred, regardless of any divorce decree or court order stating otherwise.***** We gladly accept cash, personal checks or credit card payments from Visa, MasterCard, and Discover. No bills larger than \$50 are accepted for co-pays. We must charge a fee, which is posted in our reception area, for any returned checks. In order to file your insurance for you, we need to have a current copy of your insurance card on file. It is your responsibility to inform us of any changes in your insurance. *We recommend that you verify whether your insurance covers well child visits and immunizations.* Even though insurance may be filed, all bills are payable upon receipt and the patient/guarantor, not the insurance company, is responsible for the payment of all services. If the balance on your account exceeds 30 days past due, a \$15 Late Fee will be assessed to the balance owed. In the event that a past due balance is turned over to our collection agency, the patient/guarantor will be responsible for all fees incurred, including but not limited to, court costs and legal fees. In addition, the family will be discharged from the practice.

Your Check is Welcome!

If your check is returned for non-sufficient funds, you expressly authorize your account to be electronically debited or bank drafted for the amount of the check plus any applicable fees. The use of a check for payment is your acknowledgement and acceptance of this policy and its terms and conditions.

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from surprise billing or balance billing.

What is “balance billing” (sometimes called “surprise billing”)?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, and/or a deductible. You may have other costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

“Out-of-network” describes providers and facilities that haven't signed a contract with your health plan. Out-of-network providers may be permitted to bill you for the difference between what your plan agreed to pay and the full amount charged for a service. This is called “**balance billing**.” This amount is likely more than in-network costs for the same service and might not count toward your annual out-of-pocket limit.

“Surprise billing” is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider.

You are protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most the provider or facility may bill you is your plan's in-network cost-sharing amount (such as copayments and coinsurance). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers may bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get care out-of-network. You can choose a provider or facility in your plan's network.

When balance billing isn't allowed, you also have the following protections:

- You are only responsible for paying your share of the cost (like the copayments, coinsurance, and deductibles that you would pay if the provider or facility was in-network). Your health plan will pay out-of-network providers and facilities directly.
- Your health plan generally must:
 - Cover emergency services without requiring you to get approval for services in advance (prior authorization).
 - Cover emergency services by out-of-network providers.
 - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
 - Count any amount you pay for emergency services or out-of-network services toward your deductible and out-of-pocket limit.

If you believe you've been wrongly billed, you may contact Amber Keeble, Office Manager, by way of email at manager@kidschoicepeds.com.

Visit [cms.gov](https://www.cms.gov) for more information about your rights under federal law.

ATTENTION SELF-PAY PATIENTS

Please be aware a Good Faith Estimate will be provided to you at your request and/or within 1-3 days once services are schedule, if applicable. Due to the nature of the practice, sometimes these services are on an as needed/seen basis but, we will do our best to accommodate you in the time frame required by federal law. Please see the following fee schedule when determining your possible cost. Upon arrival to each appointment, a \$50.00 payment will be required before the patient is seen. Once the appointment is completed, we will collect the remaining balance for that day's visit. We offer a 20% discount for services when the full balance is paid on the date of service. If, however, you are unable to pay the balance in full on the date of service, the 20% discount is forfeited and payments must be made). Payment plans are strictly enforced and, if payments are not made on a monthly basis, may result in your account being turned over to a collection agency and your child(ren) being discharged from our practice.

FINANCIAL POLICY: All co-pays, co-insurance and deductibles are due at the time of service, regardless of who brings the child in for the visit. *****The parent/guardian seeking medical treatment for the child is responsible for any bill incurred, regardless of any divorce decree or court order stating otherwise.***** We gladly accept cash, personal checks or credit card payments from Visa, MasterCard, and Discover. No bills larger than \$50 are accepted for co-pays. We must charge a fee, which is posted in our reception area, for any returned checks. In order to file your insurance for you, we need to have a current copy of your insurance card on file. It is your responsibility to inform us of any changes in your insurance. ***We recommend that you verify whether your insurance covers well child visits and immunizations.*** Even though insurance may be filed, all bills are payable upon receipt and the patient/guarantor, not the insurance company, is responsible for the payment of all services. If the balance on your account exceeds 30 days past due, a \$15 Late Fee will be assessed to the balance owed. In the event that a past due balance is turned over to our collection agency, the patient/guarantor will be responsible for all fees incurred, including but not limited to, court costs and legal fees. In addition, the family will be discharged from the practice.

TENNCARE POLICY: Kids Choice Pediatrics is a provider within the BlueCare TennCare network only. We do not accept patients with AmeriGroup, UHC Community or TennCare Select. Should your child(ren)'s coverage change to one of these plans, we will no longer be able to serve as your pediatrician.

NO-SHOW POLICY: We understand that situations arise in which you must cancel your child's appointment. If you must cancel an appointment, a minimum of 24-hours notice is required. This will enable another patient in need of medical care to be scheduled in that timeslot. Patients who do not show up for their appointment without a call to cancel will be considered a NO-SHOW. Additionally, if you are more than 10 minutes late for a scheduled appointment, you will be asked to re-schedule and this will also be considered a NO-SHOW. Should you incur three (3) NO-SHOWS in a 12 month period, your family will be discharged from the practice.

AKNOWLEDGEMENT: *My signature below indicates that, to the best of my knowledge, the information provided is complete and accurate and that I have read and understand the FINANCIAL, TENNCARE and NO-SHOW policies.*
